Deglet Nour

The leader of all dates and a reference for top quality, Deglet Nour is the most established dessert date variety in the world. Most often sold as "Tunis dates" since 1870, Deglet Nour is traditionally known as the "Date of Shining Light" for its translucent blonde colour, its unique flavor and referred to as "THE DATE". Deglet Nour is for dates what champagne is for wines. The only variety which can be sold on the branch, keep well when refrigerated.
